General: Citizens for Chad Magendanz, an IRC Section 527 Campaign Committee (hereafter referred to as the “Campaign”) is committed to maintaining the privacy of personal information that you provide to us when you subscribe to campaign communication. This Privacy Policy describes how we treat personal information received about you when you subscribe to the Campaign. We reserve the right to update this policy from time to time, so you should review this web page periodically.

Information We Collect: We may collect personally identifiable information from you that may include your name, address, e-mail address, and other information. Providing this information is entirely voluntary and you may easily decline to do so. Furthermore, we may automatically collect non-personally identifiable IP addresses, location and usage information, and any such other information as permitted by law, from you when you subscribe or contribute to the Campaign.

Information We Do Not Collect: We do not collect, store or have access to any credit card information that you may provide in subscribing or contributing to the Campaign. We use respected third-party (PCI-DSS Level 1 compliant) payment and billing providers to process campaign donations.

Information from Children: We do not knowingly collect personal information from children under the age of thirteen. If the Campaign obtains actual knowledge that it has collected personal information about a child under the age of 13, that information will be immediately deleted from its database. Because it does not knowingly or intentionally collect such information, to the best of the Campaign’s knowledge and belief, the Campaign has no such information to use or to disclose to a third party. The Campaign has designed this policy in order to comply with the Children’s Online Privacy Protection Act.

How We Use Information Collected: We may use information: (i) for the purposes for which you specifically provided the information, (ii) to send you e-mails or text messages relating to the Campaign, and (iii) report contributions per Public Disclosure Commission regulations, and (iv) to provide other third parties with aggregate (non-personally identifiable) information about our supporters and contributions patterns. SMS OPT-IN Consent and Data will not be shared with third parties.

We will not share your personally identifiable information outside of the Campaign unless you “opt in” to having your personally identifiable information shared with a company that is not affiliated with us. However, we may disclose and use personally identifiable information in special circumstances where it is necessary to enforce our Terms of Use or when we, in good faith, believe that the law requires us to do so.
